

PUNTA MITA ANNOUNCES PARTNERSHIP WITH MEXICO'S #1 GOLFER ABRAHAM ANCER

Luxury Resort Community Furthers Commitment to Golf with Sponsorship, Course Restoration, Clinics, Events and More

Punta Mita, Mexico (August 13, 2021) Today, Punta Mita, the ultra-luxurious 1,500-acre resort and residential community situated in Mexico's Riviera Nayarit, proudly announces the addition of Mexican PGA Golfer Abraham Ancer to its list of Punta Mita Ambassadors, on the heels of winning his first PGA Tour title, joining alongside existing ambassador LPGA Golfer Gaby Lopez. Home to two Jack Nicklaus Signature Championship Golf Courses – Pacifico, featuring the world's only natural island hole, and Bahia, an 18-hole championship course – Punta Mita further enhances its commitment to professional golf by supporting Mexico's #1 male and female golfers.

Ancer's partnership with Punta Mita includes the welcomed introduction of his co-founded Flecha Azul Tequila throughout the peninsula. As the destination's new house tequila, Flecha Azul Tequila will be poured in Punta Mita's four beach clubs, including the newest—El Surf Club—as well as featured in signature cocktails and at specialty tasting experiences.

Similar to Lopez and the LPGA Tour, Punta Mita sponsorship includes VIP access for Club Punta Mita members to PGA Tournaments featuring Ancer. As an additional part of the new collaboration, Ancer will host a golf clinic and tequila tasting in Punta Mita for members to have up-close and personal time with the professional golfer. Punta Mita's iconic logo will also be present on Ancer's golf bag.

"I am so excited to enter into this sponsorship with Punta Mita and its world class courses, golf academy and community," said Ancer. "I look forward to not only spending time in Punta Mita, but am very enthusiastic that Flecha Azul Tequila will be featured in the destination, its clubs, restaurants, and in future events."

Continuing the destination's commitment to golf, the Punta Mita Golf Academy, under the direction of Punta Mita Director of Golf John McIntyre, will welcome a series of guest professional instructors over the upcoming season. Guest instructors include two-time European Tour winner Jean van de Velde, putting guru Marius Filmlater, David Stockton, Jr., and JJ Killeen, amongst many others. This robust instructional programming comes on the heels of the initiation of a 4-year restoration project for the Pacifico and Bahia golf courses. The project will see new TifEagle greens installed, along with Trinity Zoysia tees, fairways, and surrounds.
